

## **NFFT2025\_DIG SHIBUYA**

English Press Release

In a digital art event co-hosted by Shibuya Ward, 32 AI creators from around the world will participate in "NFFT2025\_DIG SHIBUYA," held at Shibuya SLOTH, 6th floor, on February 8, 9, 10, and 11. This is the 5th edition of the AI fashion event NFFT, titled "New Future AI Fashion Technology," where 32 active AI creators will showcase their latest AI fashion videos.

This event will feature works from the same creators who participated in the event held at Shibuya PARCO last October. This time, new collaborative pieces with phygital fashion will also be introduced.

This is a Digital AI Fashion Movie exhibition featuring the latest works from 32 AI creators (AI Prompt Directors/AI Filmmakers) who are active around the world. We will showcase top-level AI fashion movie works.

The main theme of this exhibition is "Regeneration." Be sure to check out the unique worldviews and AI fashion expressions created by each artist. All visuals and music are produced using the latest AI technology. Each video will be screened with a length of up to 2 minutes. The exhibition will include digital video displays and physical representations of AI-designed clothing and accessories.
